

## FEEDBACK TEMPLATE for LASAR Posture

© by Gregor Schaffarik 2012

GGW-training upright stance

Objective: Laser within 1

ADL-training sitting down

Objective: Laser within 1-2 (3)      Fold the template, position above the LASAR posture, align centered and eventually fixate with tape at sides

.....fold here .....fold here ...

6	5	4	3	2	1	2	3	4	5	6

extend both guidelines to the edge →

attach paper

← guidelines make it easier to center the template
